

Clear Lake Aggies Moms' Club
September Meeting
University Baptist Church
Houston, Texas
September 10, 2018

The Clear Lake Aggies Moms' Club September meeting was called to order at 7:05 PM by President Sue Meersman.

Sue introduced the guest speaker, Dr. Pugh, the Director of Students Affairs.

After introducing himself, Dr. Pugh presented Title IX, the 7 rules and definitions of violations and consequences. He emphasized student success goals, and increasing retention and graduation rates. A higher percentage of students who attend Fish Camp tend to stay and graduate from the school when compared to a "non-Fish-Camp" students. Dr. Pugh mentioned "My Aggie Story" which was posted in Facebook. He talked about Marisa Harris' visualization major and projects.

Dr. Pugh also gave advice to the Aggie moms at our meeting: keep in touch, but not tracking too much and let go, watch for signs of being behind in studying, keep tab on exam grades, and you can somewhat gauge their well being based on their meal plan usage. Last but not least, he mentioned high impact learning experience programs such as study abroad, volunteering, and internships.

Sue presented the August Executive Meeting minutes. A motion was made by Catherine Davis and seconded by Lena Coburn. All attendees accepted the minutes unanimously.
